The Portico Digital Archives

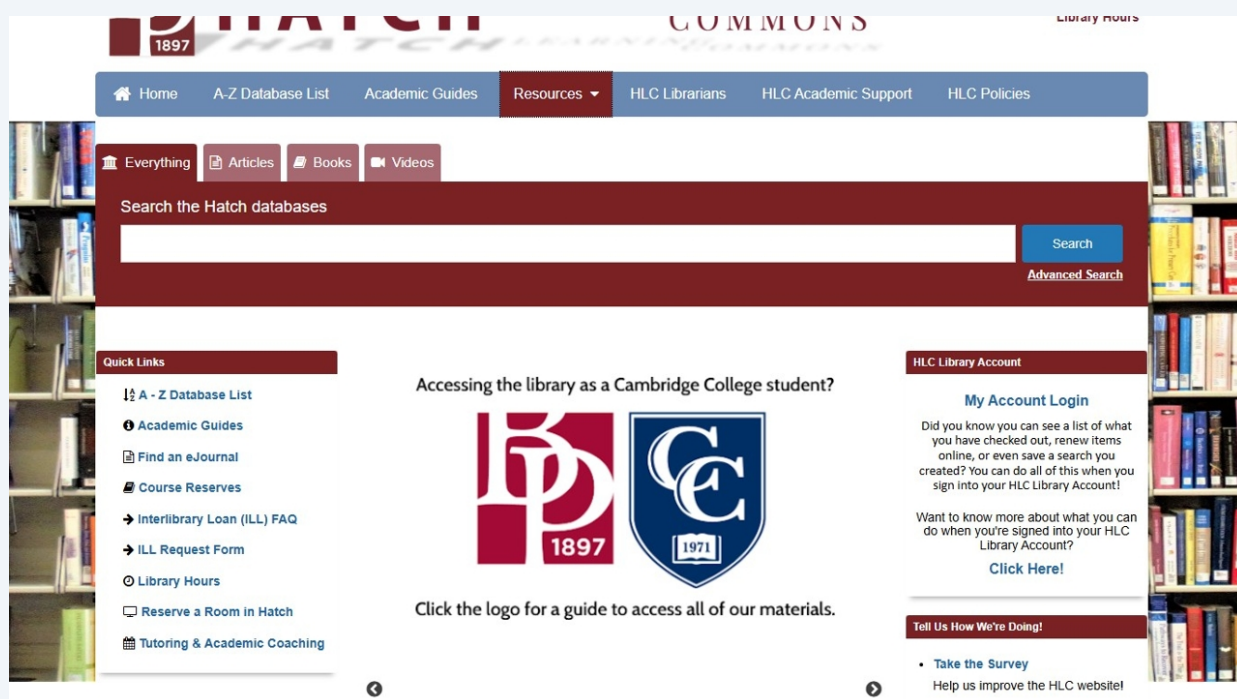

The Bay Path Archives, housed in the Hatch Learning Commons on the main campus in Longmeadow, documents and preserves the history of the University, from its foundation in 1897 to the present day. The Archives includes selected Bay Path University publications, faculty and student publications, institutional and academic documents, University committee records, Board of Trustees records, administrative records, photographs, publicity, and student life records. It contains material that is of interest to students, faculty, staff, researchers, and alumni, such as yearbooks, photographs, and other information about life at Bay Path throughout its history. With funding provided through a federal IMLS grant to the Boston Public Library, the Hatch Learning Commons began to digitize selected content from the Bay Path Archives in 2013.

The University's collection of yearbooks, which were published as [The Portico](#) between 1921 and 2002, is available to view online. Some early years are missing.
