

Find Streaming Video Databases

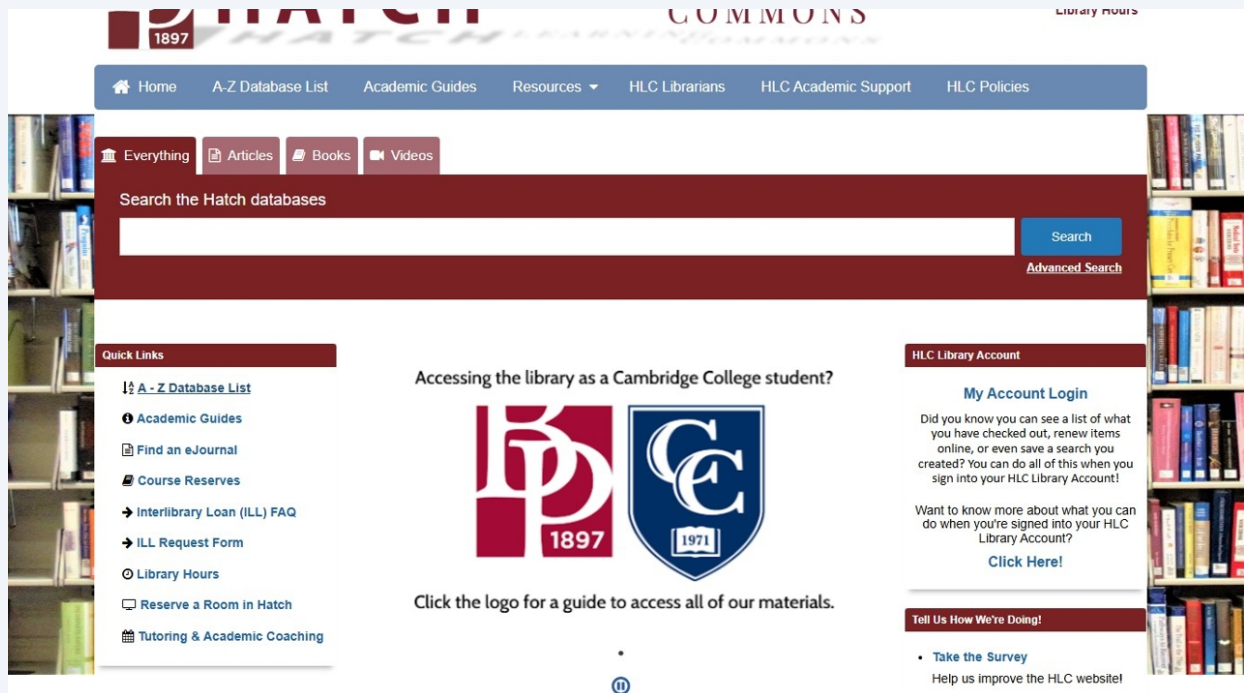

We maintain a comprehensive list of streaming video providers in the A-Z database on our website. Any film listed in those databases can be used in a course.

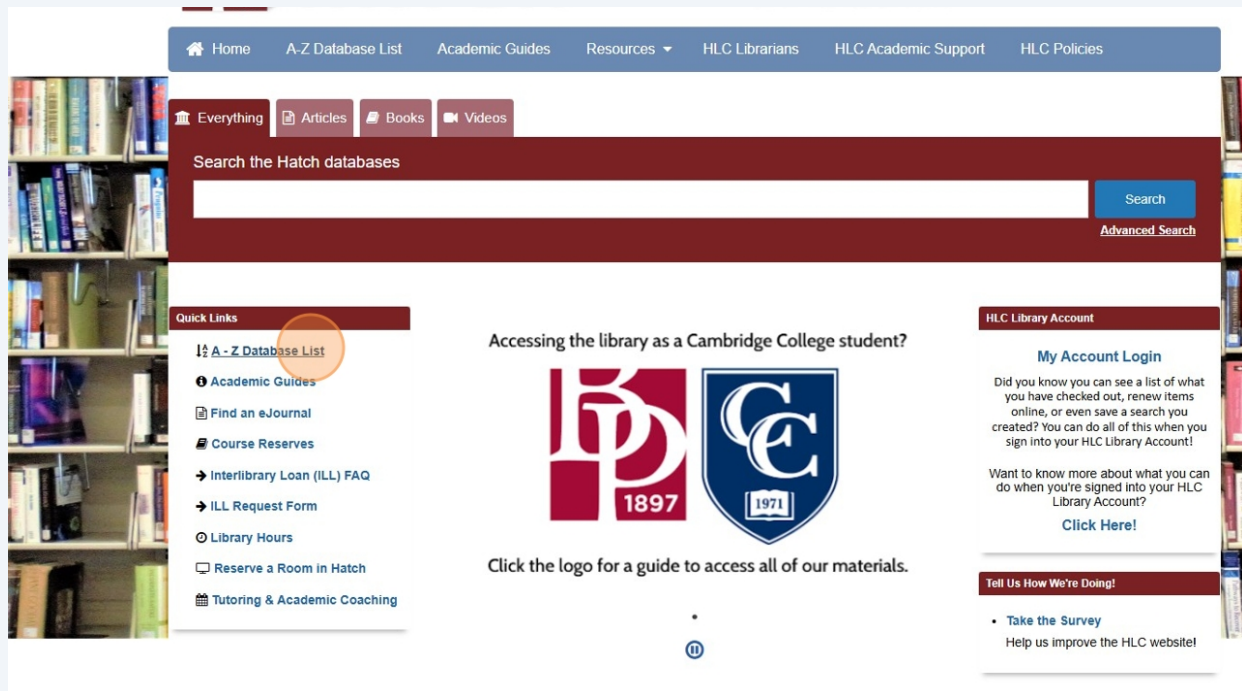

If the film you are looking for does not appear in any of those databases, contact the Hatch Library with the name of the video you want and the context in which it will be used.

1

Navigate to <https://libguides.baypath.edu/home>

2 Click [A - Z Database List](#)

3 Select the **Streaming Video (8)** option in the *All Database Types* dropdown menu.

4 Explore the video streaming databases.

A

[Academic Video Online](#)

Contains a wide range of US and international films on subjects including business, counseling, history, language learning, music, and more for immediate access. Formats include plays, documentaries, feature films, and US government content from major distributors including CNN, BBC, Dow Jones, and Sony Pictures Classics. Users can create film clips and view transcripts.

D

[Digital Campus](#)

Alternate Name(s) Swank

Online streaming platform that provides access to feature films and documentaries that have been assigned in various courses. Faculty can request films for course use.

F

[Films on Demand](#)

Access over 14,500 streaming videos covering most academic disciplines.

K

[Kanopy](#)

A collection of documentary and educational streaming films. Faculty can request films for course use.

N

[Nursing Video Collection \(Films on Demand\)](#)

This collection is designed to help nursing students excel in their studies, pass licensure exams and to prepare them for long-term job success in a complex health care system. Topics include nursing skills, patient care and interventions, diseases, disorders and disabilities, nursing foundations, and other special topics in nursing.

P

[ProQuest One Academic](#)

ProQuest One Academic combines four core multi-disciplinary products – ProQuest Central, Academic Complete, Academic Video Online and ProQuest Dissertations & Theses Global – are now available and cross-searchable on one cross-searchable, user-friendly, and responsive platform.

[Psychotherapy.net](#)

A selection of clinical psychotherapy training videos featuring leading practitioners in the field for immediate access.

A web-based application providing interactive tools to help students and faculty learn and apply APA Style. It features point-of-need quick guides and video tutorials.

[CINAHL Ultimate](#)

Featured

CINAHL Ultimate is the new definitive resource for nursing and allied health research, providing full text for more of the most used journals in the CINAHL index than any other database. It covers more than 50 nursing specialties and includes quick lessons, evidence-based care sheets, CEU modules and research instruments.

[Education Source](#)

Featured

A companion to ERIC, it provides thousands of education journals, books and education-related conference papers. Coverage spans all levels of education and includes educational specialties.

[MEDLINE Ultimate](#)

Featured

Offers access to unmatched evidence-based and peer-reviewed full-text content from top biomedical, health, and biological journals. Includes "authoritative medical information on medicine, nursing, dentistry, veterinary medicine, the health care system, pre-clinical sciences, and much more."

[PsycInfo](#)

Featured

Alternate Name(s) APA PsycInfo

Provides abstracts and citations to the scholarly literature in the psychological, social, behavioral, and health sciences. Includes links to full-text articles.

[PubMed](#)

Featured

Search more than 21 million citations for biomedical literature from MEDLINE, life science journals and online books. Citations may include links to full-text content from PubMed Central, publishers, and the Bay Path button.
